# Richard Gregory

**Year of Call:** 1993
**Telephone:** 0115 947 2581

## Overview

**Richard has developed a specialist practice in all aspects of personal injury litigation, principally arising from road traffic accidents and employers' and occupiers' liability, together with assessment of quantum.**

He advises and represents both claimants and defendants, principally in multi-track proceedings. He is usually involved in litigation from the provision of preliminary advice, through to the conclusion at trial or joint settlement meeting.

# Expertise

## Personal Injury

Richard has developed a specialist practice in all aspects of personal injury litigation, principally arising from road traffic accidents and employers' and occupiers' liability, together with assessment of quantum.

He advises and represents both claimants and defendants, principally in multi-track proceedings. He is usually involved in litigation from the provision of preliminary advice, through to the conclusion at trial or joint settlement meeting.

## Serious Injury

Richard deals with all aspects of catastrophic injury, for both claimants and defendants, including serious head injuries, paralysis and amputation.

## Clinical Negligence

Richard advises both claimants and defendants in all aspects of clinical negligence, and the complicating issues as to causation and quantum which often occur.

## Disease

Richard predominantly practices in the field of disease. He has experience of all aspects of disease litigation, from limitation to breach of duty, causation and quantum, principally in Noise Induced Hearing Loss, Hand Arm Vibration Syndrome, respiratory injury, dermatitis and asbestos-exposure claims.

## Counter Fraud

Richard has been involved in the increasing arena of fraud, principally in road traffic litigation, and also in relation to fundamental dishonesty in more conventional claims, over the past ten years, as insurers adopt a more aggressive stance in questionable claims.
