

# PIBA Conference 2016

Posted On: 05/04/2016

Author: Lee Collishaw

On Saturday 9th April 2016, Philip will be addressing the Personal Injuries Bar Association on Noise Induced Hearing Loss claims at St Catherine's College, Oxford. Philip's entertaining talk, "Deafness for Dummies" covers fundamental aspects of legal principle and medical causation and reviews recent developments in this important area of industrial disease litigation. If you would like a copy of the notes covering the talk, "An Idiot's Guide to Industrial Deafness", please contact [donnalester@ropewalk.co.uk](mailto:donnalester@ropewalk.co.uk)
