We extend our warmest congratulation to Jonathan Owen, who has been appointed a Circuit Judge, with effect from 22 August 2022. Jonathan has been deployed to the Midlands Circuit, based at Nottingham County Court.

Jonathan was called to the Bar in 2004 and developed a highly successful practice at Ropewalk Chambers, across a broad range of civil areas. He played an instrumental role in the running of Chambers and will be missed by us all.

We wish him the very best in his new career.
